UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN FRANCISCO DIVISION

20 DAVID N. ERIKSEN, } Civil No. C 07-05005-JCS
21 Plaintiff, } IN ADMIRALTY
22 v. } SUPPLEMENTAL
23 UNITED STATES OF AMERICA, } JOINT CASE MANAGEMENT
24 Defendant. } STATEMENT
25 DATE: April 4, 2008
TIME: 10:30 a.m.

Counsel for the parties hereby jointly submit a supplemental case management statement, as directed by the Court, in advance of the second case management

1 conference which is presently scheduled to take place on Friday, April 4, 2008 at 10:30
2 a.m.

3 A settlement conference has been scheduled by Magistrate Judge James for April
4 29, 2008, a date which falls after the April 11, 2008 deadline for the conference
5 previously indicated by the Court. The Court has limited the discovery the parties can
6 conduct prior to the settlement conference, but plaintiff's counsel would like to obtain
7 leave to conduct an inspection of the relevant area of the vessel, assuming the ship is
8 presently in the San Francisco area.

9 The parties have continued to exchange documents informally, and have each
10 served a set of written discovery. The Government also subpoenaed records from one of
11 plaintiff's medical providers, but those medical records, which were just received, have
12 numerous and large redactions. The plaintiff's deposition is just being conducted on
13 March 27, 2008, because he was working on a ship which was at sea and his noticed
14 deposition accordingly had to be continued until his return. Plaintiff is desirous of taking
15 the deposition of one of his former crew mates on the Government's ship, but that seaman
16 is reportedly no longer working for the Government's ship operator. The parties will
